## **CONGRATULATIONS**

on the successful establishment of your company!

In alignment with IFZA's commitment to advancing the sustainability goals of the UAE, it brings us great joy to announce that we are planting a dedicated mangrove sapling in the name of your company at the IFZA Mangrove Forest through the GROW Initiative.

Your mangrove is uniquely geotagged, providing you the ability to pinpoint its precise location, explore its significant environmental benefits, and monitor its flourishing growth.

We eagerly anticipate seeing the remarkable growth not only of your company but also of the positive environmental impact your mangrove will contribute to.

Here's to a flourishing future!
